b. In the cases of extreme behavior problems, in which participants are not responding to the above listed techniques, a write-up will be completed. Parents will also sign the write-up. If your child is still unable to successfully function within the program setting, your child will be removed from the program. **ZÓCALO OUTREACH utilizes a “3 strike” policy.** Meaning once a child has accumulated 3 write-ups within the ZÓCALO program they will be expelled. Upon the second write up, a conference will be scheduled with the parent(s), child involved. A ZÓCALO staff person will discuss strategies to allow the child to return safely back into the program at the discretion of the ZÓCALO Administrator. Should a
third write-up occur, the child will be immediately suspended from the program and the parents or guardians will be called to immediately pick up their child. The ZÓCALO Administrator will discuss with the parents why their child was removed.

3. **Emotional Abuse**: Consists of a pattern of behavior that impairs a child’s emotional development and positive sense of self, possibly resulting in psychological damage. Emotional abuse includes the presence of a pattern of belittlement, criticism, rejection and threats and the absence of supporting behaviors such as praise, pride in the child, and expressions of love and concern.

4. **Sexual Abuse**: Any sexual exploitation involving a child or adolescent who does not fully comprehend the situation and is unable to give informed consent. This includes any sexual contact between adults and children where the child is less than 15 years old and or there is a four-year age difference between the suspect and victim.

XIV. Emergency Procedures

Emergency procedures have been established for the safety of the children. Emergencies occurring at the facility will also follow County emergency policies.

a. **FIRE**

Each room is marked with a visible sign, which directs persons in that room to the closest and safest exit door. The counselors quickly walk the children to the meeting point and take attendance. This is
reported to the site coordinator in charge. The site director makes a check of the building and calls the appropriate emergency personnel.

b. **TORNADO**
   In the event of a tornado warning, all children are brought into the building and are to sit against the inside walls away from windows and doors. The staff will keep the children occupied with activities that can be done quietly in this safe place. Immediate head count will be made. Children will stay until an all clear has been announced.

c. **SEARCH AND RESCUE**
   Immediately upon determining a child is missing, the site director reports to the administrator with the child’s name and description. A search is conducted by all available staff of the grounds and premises. If the child is not found in 15 minutes, the local police department is notified by the administrator. At this time, parents of the missing child are notified. While waiting for the police, the staff continues their search efforts. When the police arrive, the search and rescue is turned over to them.

d. **AWAY FROM SITE PROBLEMS**
   Problems away from the site are handled by the ZÓCALO staff in attendance. Site director and Administrators are notified immediately as to what has happened and what actions were taken.

e. **INCLEMENT WEATHER OR EXCESSIVELY HOT WEATHER**
   The ZÓCALO OUTREACH PROGRAM has adopted the following as guidelines for inclement and/or excessively hot weather. Children will not be allowed to play outside when the temperature exceeds 98 degrees or when the temperature falls below 15 degrees. Site directors will also take into consideration heat indexes, wind chills, smoke concerns and ozone alerts. The program will provide alternative indoor activities including but not limited to movies, games and group activities. Staff will remove children from inclement weather to a safe location. Television and video viewing is limited to “PG” rated programs, videos and cartoons. Television and videos will be viewed only during before and after camp care, inclement weather or excessively hot weather, or special occasions. Children will continue to go swimming even on cool days as long as the water in the pool is over 80 degrees. If the temperature falls below 65 on swimming days we will not go swimming.

a. All visitors must check-in/sign-in with the site director upon arrival before entering program areas. Proper identification will be required and verified. All visitors will state the reason for the visit in the staff communication book. Visitors must wear a visitor badge while at the sites.

Volunteers who wish to participate on a regular basis need to enroll as a ZÓCALO OUTREACH volunteer and complete the following: Pay for a background check, central registry form, provide three written
references and provide the camp with emergency contacts.

We hope that families will feel comfortable approaching the ZÓCALO Administrator to share any concerns.
